PREMIUM EMBLEMS

3D Chrome gives your logo the premium image you want to communicate to the marketplace. It has the appearance of high polished chrome without the manufacturing hassles and environmental concerns of hard plating.

BENEFITS:

- VALIDATED MATERIALS FOR EXTERIOR AUTOMOTIVE USE
- AVAILABLE IN A PANTONE OF COLORS AND FINISHES
- SAME LOOK AND QUALITY AS OE EMBLEMS
- 6-8 WEEK LEAD TIME

FEATURED KIT:

Meet pure adrenaline: the Shelby Super Snake GT. This premium 3D kit contains passenger, driver, and grille snakes, deck letters, and C pillar emblems in matte silver and black. Sold exclusively to Shelby American.

FUSION

Our Fusion Technology lets you create your own custom look through integration. Insert Crystal Dome badges into our Premium 3D Chrome Bezels or make your own custom bezel to brand your product, vehicle or promotion.

BENEFITS:

- VALIDATED MATERIALS FOR EXTERIOR AUTOMOTIVE USE
- NO TOOLING REQUIRED FOR READY-TO-GO BEZELS
- BEZELS AVAILABLE IN CHROME, GLOSS OR MATTE BLACK
- 2-4 WEEK LEAD TIME

FEATURED PACKAGE:

The PROSPORT GMC Sierra Package is a dealer group promotion. Creating a Special Edition is easy when you partner with us. We design your custom emblems including name generation, artwork and provide advertising and sales assets to make your promotion a success.

CRYSTAL DOMING

Our Crystal Domes are proven to withstand all the elements from blistering heat to an Arctic freeze. They can't be scratched, won't yellow and won't crack and adhere to a variety of surfaces.

BENEFITS:

- NO TOOLING REQUIRED
- CREATE VIRTUALLY ANY DESIGN
- VALIDATED MATERIAL FOR EXTERIOR AUTOMOTIVE USE
- 2-4 WEEK LEAD TIME

FEATURED PACKAGE:

The Omnistar Crystal Dome Package is a beautifully designed solution to a logo with multiple elements and letters. Clients rely on us for our free design services to turn their logo, artwork or idea into a striking product branding solution.

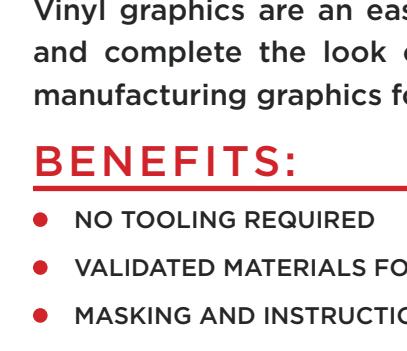

LICENSE PLATE FRAMES

Our license plate frames are a high quality plated zinc casting and go a long way in completing the look of a vehicle package. Customize the frame with Crystal Dome inserts all designed, manufactured and installed by Morgan Design Group.

BENEFITS:

- DURABLE
- STYLE SHOWN CONFORMS TO MOST STATE LAWS
- MULTIPLE FINISH OPTIONS AVAILABLE

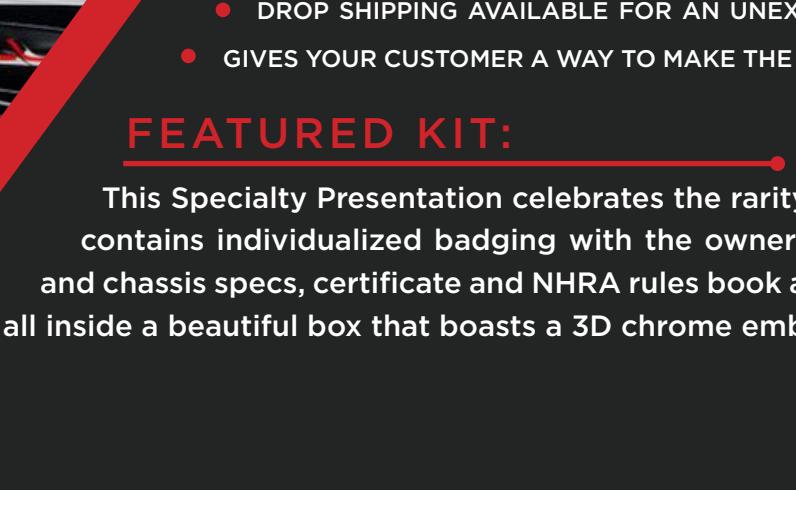

HITCH PLUGS

Upgrade your tail end with our heavy duty, custom, trailer hitch plug with pin. This is not a wimpy hitch—weighing a hefty 1 1/2 pounds of Specialloy® metal. This is the perfect, premium accessory for any truck or SUV.

BENEFITS:

- 6" X 3 1/2" BLANK OVAL READY FOR CUSTOMIZING
- FITS ALL 2" RECEIVERS
- AVAILABLE WITH LOCKING PIN

PLAQUES

Our aluminum plaques have been engineered for durability. They can be etched, embossed, printed, dyed or formed. Because of our superior anodizing process, our plaques can withstand high temperature, outdoor exposure, abrasion, salt and most chemicals.

BENEFITS:

- LONGER LASTING THAN OTHER METAL PLAQUES
- ADHESIVE BACK, MOUNTING HOLES OR BOTH

SILL PLATES

Complete your personalization package with custom sill plates. They can be customized by etching or printing and are made from stainless steel in order to protect your vehicle from scratches and scuffs.

BENEFITS:

- WON'T RUST
- FINALIZES THE EXTERIOR AND INTERIOR LOOK

VINYL GRAPHICS

Vinyl graphics are an easy and affordable way to personalize a vehicle's exterior and complete the look of your special edition. We specialize in designing and manufacturing graphics for trucks, cars, and commodities.

BENEFITS:

- NO TOOLING REQUIRED
- VALIDATED MATERIALS FOR EXTERIOR AUTOMOTIVE/MARINE USE
- MASKING AND INSTRUCTIONS MAKE FOR EASY INSTALLATION
- COLOR MATCHING AVAILABLE
- WILL NOT DAMAGE PAINT
